College Application Process

Colleges and universities prefer that students apply online. If you have to use paper applications, they can be downloaded from the university or college’s website.

Application Process:

1. Complete the application available online at the college/university website, common application, or if using a paper copy neatly in black ink (online applications are encouraged when available).

2. Send your transcript to each college or university to which you are applying.

Steps required to complete a transcript request:

1. Go to www.parchment.com
2. Select create an account in the top left corner.
3. Enter personal information and enter valid email (will be required to verify email account).
4. Select the + sign to add a school or organization you attended.
   a. Type in Lawrence Central High School
   b. Select Add
5. Update Information:
   a. Currently Enrolled
   b. Date of Birth
   d. Select whether you waive your right to access or do not waive your access.
   e. Authorize a copy of your credentials
   f. Select Consent and Request
6. Order Transcripts (You can now get your credentials)
   a. Select Order
   b. Type in name of institution you wish to send a transcript
   c. Click on Select
   d. Select when you want the transcript sent (Send Now is traditional unless waiting on semester or final grades to post prior to sending... Please note, it will not send until after grades are posted)
7. Additional Schools
   a. Select Add Another Destination if you want to make multiple transcript requests
   b. Repeat Step 6
8. Save and Continue
   a. Verify Recipients
   b. Verify Processing Time
   c. Click Continue
   d. Sign and Type Name
   e. Verify that you are legally the individual requesting the transcript
   f. Click Save and Continue
3. Send your official test scores to each college or university that requires them sent from testing agency.

If the application has a counselor recommendation form (or secondary school report), it will automatically be sent to the counselor when you make the transcript request.

4. If the college requires a recommendation you will be able to add the individuals through your Common Application account. Instructions are provided.
   - Create a resume highlighting your extracurricular school activities, awards, honors, any outside of school volunteer or service commitments, employment, etc.
   - Contact the person (teacher or counselor) who will be writing it and give him/her a copy of your resume and/or a Student Information Form (available from each counselor) and a stamped envelope addressed to the college.
   - Please be considerate and give your counselor/teacher at least 10 school days of lead time before any deadlines.
   - Counselors/teachers are not responsible for missed deadlines if given recommendation requests at the last moment.

If you are using an Application Fee Waiver, it is your responsibility to mail it directly to the college admissions office (see your counselor for fee waivers). Fee Waivers are accessible in your college board account after your registered test date.

Admission numbers represent Fall 2015 enrollment.
College Visits

A lot of preparation should go into your plans for a college or university visit. If possible, you should never commit to attend without having visited the campus first as there are many aspects that need to be evaluated beforehand. Visits should include your parents/guardians if possible.

College Rep Visits at Lawrence Central

Lawrence Central will have 70 plus college representatives on a yearly basis request to come in and hold information sessions with our students during the school day. In order to take advantage of these amazing opportunities you must register for the visits, notify your teachers, and then sign out of class with the teacher’s permission. List of participating schools are updated throughout the fall and visits are held at 9:00 AM, 11:00 AM, or 2:30 PM.

College Rep Registration Process:

1. Log into Naviance Account
2. Select the Colleges Tab
3. Select View All Upcoming College Visits (located on right side of page)
4. Locate visits interested in attending, Select Sign up
5. Select Sign me up
6. Print out confirmation (will need to use print screen)
7. Notify teacher that you are planning on attending session (prior to day of event)
8. Show print out to teacher for dismissal from class. Up to teacher’s discretion for dismissal

Seniors are allowed 2 college “on-campus” visit days. Once a visit has been scheduled, students should:

See the attendance office for a “Prearranged Absence Form” at least 3 days prior to your visit.

Every effort should be made to make your visits during vacations, breaks and other non-school days, but it is understood that certain appointments for interviews, tryouts, scholarship testing, etc. during school hours may be unavoidable.

Tips for visiting a college campus can be found online at: https://bigfuture.collegeboard.org/find-colleges/campus-visit-guide
Financial Aid

Students may receive money from grants, scholarships, loans or work-study programs to help pay for college. Since not all students qualify for financial assistance, it is wise to have your own plan in place for paying college costs.

When applying for financial aid one should follow these suggested guidelines:

1. After applying to the colleges of your choice, review the Financial Aid/Scholarships page of each college website and request all current information and applications for need-based and/or merit scholarships. Additionally, you should inquire about work/study opportunities.

2. Begin your search for scholarships online and through resources available in the community (be wary of scholarship searches requesting up-front fees – this information should be free).

3. After October 1 (new date this year), complete the FAFSA online at www.fafsa.ed.gov. All FAFSA forms or submissions MUST be received for processing during the time frame of October 1st through March 10th. The earlier the form is completed, the more state and federal money there is available. FAFSA forms received after March 10th lose the opportunity for State of Indiana aid.

4. In order to complete the FAFSA, you need an FSA ID. To create the FSA ID, go to: https://studentaid.ed.gov/npas/index.htm. The FSA ID is used to electronically sign Federal Student Aid documents, access personal records, and make binding legal obligations (like accepting federal loans). Parents and students each need their own FSA ID. This ID replaces the federal PIN used in the past.

5. Attend LC’s Financial Aid Program for parents on December 1 at 6:00pm.

6. Attend one of LC’s FAFSA Completion Events for parents on February 9 from 3:00pm – 7:00pm or on February 24 from 8:00am – 11:00am. Any family who needs assistance completing the FAFSA is invited to bring their paperwork and their FAFSA will be completed on the spot.

7. After submitting the FAFSA, it’s a waiting game until the colleges send out their financial aid packages in late spring. They may include one or more of the following: scholarships, grants, work-study or loans. Please note that, unlike the first three items, loans MUST be repaid.
LC Scholarship Search Instructions

The GOOD NEWS is that there are scholarships available for qualified students. In the past two years, LC students have brought in almost 40 million in scholarship dollars! However, it takes a great deal of work to win these scholarships. Here are tips for finding them:

1) The Counseling Office will announce all scholarships that are sent to us. The primary source for scholarships will be listed in your Naviance account.

2) Parents and students can sign up for our scholarship listserve. Whenever information is available regarding college and career information, an update will be sent directly to you by email. To sign up for the listserve, go to https://intra1.ltschools.org/lawrencecentral/cgi-bin/dada/mail.cgi or go to the LCHS website and click on “Listerves.” Then select “LC Scholarships” and enter your email address.

3) Most of our announced scholarships have online applications. Those that require a paper application will be available in the files in our College and Career Classroom, Room 150. **PLEASE NOTE: Scholarship deadlines may fall before the actual scholarship due date when individuals have to be selected by the LC Scholarship Committee. Please adhere to the LC posted deadline.**

4) There are MANY scholarship search engines. Here are ones that our students have used, and more may be posted on the LCHS Counseling and Guidance website: https://bigfuture.collegeboard.org, www.fastweb.com, www.uncf.com, www.scholarships.com

5) Parents need to file the FAFSA, (Free Application for Federal Student Aid) as soon after October 1, 2016 as possible. The final deadline is March 10, 2017. Information about completing the FAFSA will be given at our Financial Aid Night on December 1.

7) Colleges list their own scholarships on their websites.

8) **21st Century Scholars only:** If you enrolled in the 21st Century Scholars Program, you will need to complete your Scholar Track portfolio by March 1 in order to receive the funds for college. For direct information about the 21st Century program, visit http://www.in.gov/ssaci/2345.htm.

9) **Scholarship information is FREE.** You can search for no cost on the internet, at school, and in your local library. If you ever have a question about a scholarship please contact your counselor.

21st Century Scholars

All high school seniors enrolled in the 21st Century Scholars program must complete the following steps to maintain eligibility for the 21st Century Scholarship.

θ Complete the Scholar Success Program by June 30, 2017.
Senior Scholars must complete the Scholar Success Program, 12 activities designed to help students stay on track for college and career success, and track them in their ScholarTrack account by June 30, 2017 to earn their Scholarship. Visit scholars.IN.gov and scholars.IN.gov/scholartrack for more information.

θ File the 2017-2018 Free Application for Federal Student Aid (FAFSA) by March 10, 2017
Senior Scholars must file a completed 2017-2018 FAFSA by March 10, 2017. The FAFSA must be signed by both the student and a parent or legal guardian using individual FSA IDs. The FSA ID gives you access to Federal Student Aid’s online systems and can serve as your legal signature. The FAFSA can be completed at FAFSA.gov. The FAFSA becomes available October 1, 2016 and must be received by the federal processor by March 10 to maintain Scholarship eligibility. Please note: Senior Scholars must complete the 2017-2018 FAFSA even if they do not plan to enroll in college until the fall 2018 term.

θ Make corrections/updates to 2017-2018 FAFSA by May 15, 2017
Scholars filing a FAFSA will receive a Student Aid Report (SAR) via the email address listed on their FAFSA or delivered to their home address if an email address was not listed. Scholars and parents must review the SAR carefully and make all necessary updates/corrections by the May 15 deadline by visiting FAFSA.gov and logging in to the completed FAFSA using their FSA ID.

θ Achieve a cumulative high school grade point average (GPA) of 2.5 on a 4.0 point scale
Senior Scholars must graduate from high school with at least a 2.5 cumulative GPA on a 4.0 scale. Scholar GPA is automatically reported to the State by their high school.

θ Earn a Core 40 diploma
Senior Scholars must earn a minimum of a Core 40 diploma from a state-accredited Indiana high school. Other diploma options include Core 40 with Academic Honors, Core 40 with Technical Honors and the International Baccalaureate diploma.

θ Apply for admission to an eligible Indiana college, university or technical school
All high school seniors enrolled in the 21st Century Scholars program are required to apply for admission to an eligible institution of higher education during their senior year of high school. A list of eligible institutions can be found at scholars.IN.gov/eligiblecolleges.

θ Enroll as a full-time student
Only 21st Century Scholars enrolled as full-time students at an eligible institution can receive the Scholarship, and Scholars must earn 30 credits per year. Senior Scholars graduating during the spring 2017 term must enroll as full-time students no later than the fall semester of 2018 to maintain Scholarship eligibility.

21st Century Scholar students should verify your enrollment information and make updates to any personal information online: http://in.gov/21stcenturyscholars/2507.htm

# Standardized Testing

Most colleges and universities require candidates to submit scores from either the SAT Reasoning Test or the ACT. Understanding the difference between the two exams and proper preparation are critical before sitting for either exam.

Compare ACT and SAT Scores

ACT and College Board have completed a concordance study that is designed to examine the relationship between two scores on the ACT and SAT. These concordance tables do not equate scores, but rather provide a tool for finding comparable scores.  

Additional Standardized Testing Options

SAT Subject Tests

These are one-hour tests measuring knowledge and ability to apply that knowledge in specific subject areas. Students may register for up to three tests on one date. Students decide which SAT Subject Tests to report to colleges, and highly selective colleges may require two subject tests. The SAT subject tests are usually offered on the same days as the SAT, but there are exceptions — check carefully.

AP (Advanced Placement) Tests

These are high school examinations based on college level courses. AP exams are given once a year in May. The scores are used for college placement, credit or advanced standing. AP tests and scores are not designed to be used for admission purposes. Please check with each college/university to determine specific requirements in order to receive college credits based on AP testing scores.

IB (International Baccalaureate) Tests

Individuals enrolled in the IB programme will participate in IB testing during the month of May.

Reporting Test Scores

Students must instruct the testing companies to send scores directly to colleges and universities. LC does include test scores on transcripts, however not all institutions will take scores off the transcript and require official score reports sent from the testing agencies. Official test scores can be sent by contacting the appropriate testing agency, www.actstudent.org or www.collegeboard.org, to order scores.

Testing Accommodations

Individuals who wish to receive testing accommodations must complete an official request with EACH testing agency in order to determine eligibility for testing accommodations. Contact your Teacher of Record for additional details. This is a timely process and should be done at least 10 to 12 weeks prior to testing.
How to Prepare for Admission Tests

If you’ve started thinking about college, you’ve probably heard about admission tests, such as the SAT and the ACT. Colleges use scores from these tests to help them make admission decisions. So it makes sense to plan to do your best on the exam. Here are some tips to help you do that.

The Best Way to Prepare

The best way to prepare for an admission test is to work hard both inside and outside the classroom. Take challenging courses, study hard, and read and write as much as you can.

It makes sense to plan to do your best on the exam.

Practice Tips

Know what to expect. Being familiar with the test’s format is the single best way to prepare for that test. Go to the testing organization’s website or check out books to get familiar with the various test sections and the instructions for each part. You’ll feel more confident if you know the test format beforehand, and you can save valuable time during the exam.

Take preliminary tests. The organizations that offer the SAT and the ACT also offer tests that are meant to be taken in sophomore or junior year. The PSAT/NMSQT is available as practice for the SAT, and PLAN is available as practice for the ACT. These preliminary, or introductory, tests make great practice tests because they have the same formats and question types as the admission tests.

Take practice exams — for free or at low cost. The good news is you don’t need to spend a lot of money on test-prep courses. In fact, studies show that high-cost test preparation gets most students little in terms of results. You can find free practice exams on the SAT and ACT websites and in study guides from the test makers in the library, bookstores or your counselor’s office. These practice exams can help you discover your strengths and weaknesses and learn to manage your time wisely during the test.

See what areas need work. When you get the score from your practice test, pay attention to the types of questions that gave you trouble and then focus on those areas as you prepare. You can find advice and practice doing different types of questions on the test makers’ websites. But remember, the best way to prepare for the test is to study hard and do well in your classes. So don’t let practicing for admission tests interfere with your course work.

Check your timing. Be sure to time yourself while you are completing practice exams so you can experience real test-day conditions. Admission tests are strictly timed, and their timing is different from regular high school tests. If you find you finished early and got easy questions wrong, slow down and read questions more thoroughly. If you didn’t finish in time, check out the test-taking tips and study aids on the SAT or ACT website or ask your school counselor or a teacher for help.

**Connect Learning and Life**

Through self-discovery and collaboration with parents, teachers and school counselors, Naviance enables students to find college and career pathways that are right for them. Students start by:

- Setting personalized goals
- Learning about their skills and interests
- Exploring career options based on interests
- Searching for colleges
- Applying for scholarships
- And, tracking their admissions status

Finally, Naviance helps students plan a course of action to reach their goals, find resources to prepare academically, and discover their own path.

**Personalized Learning Plans**

The path to college and career readiness begins with self-discovery. Naviance lets students learn about their strengths and areas of interest, and matches those skills with college and career options that are the right fit for each student. Working directly with their school counselors, students can set personalized learning goals and manage all the tasks needed for post-secondary success.

**Career Exploration & Course Planning**

Once students have an understanding of who they are, Naviance empowers them to learn about what they want to be and how to get there. The Roadtrip Nation Interview Archive features student conversations with accomplished individuals who have defined their own road in life to achieve unique goals. Naviance also offers a series of career assessments that help students discover multiple career options, and plan their career paths based on general areas of interest, and the level of education and training required to achieve their individual goals and objectives.

**College Search & Admissions**

Naviance makes college research easy. Whether it's matching colleges to a student's career interests, or comparing admissions rates at a student's top college choices, our college planning tools allow students and families to make informed decisions about their options by comparing colleges and universities, exploring scholarship opportunities, tracking college applications, and accessing a variety of other college research materials.

A student athlete intending to participate in Division I or Division II athletics as a freshman in college must be registered with and be certified as eligible by the NCAA Initial Eligibility Clearinghouse. The student athlete should apply for certification his/her junior year in high school. Applications must be completed online at www.eligibilitycenter.org using a credit card or fee waiver for students who received a previous waiver for the SAT or ACT ($75 application fee). Please contact NCAA Customer Service at 1-877-262-1492 between the hours of 8:30 am – 6:00 pm (Monday – Friday) if you have any further questions. Student-Athletes should register with the NCAA Eligibility Center during their junior year if they are being recruited.

Students registering for either the SAT or ACT should bubble in the code 9999 in the section designated for sending test results to colleges and scholarship agencies. If you have already taken either of these tests but failed to send your scores, you will need to request to have scores sent directly from the testing agency. Rushed reporting is available for meeting deadlines, but there is always an additional fee involved.

Be a Volunteer

Do you wonder who those young people are that assist at the zoo, make science presentations at the Children’s Museum, serve meals at the Wheeler Mission, or seat patrons at the Civic Theatre? Well, they are students just like you. The motivation to volunteer can be the desire to pass along one’s expertise to others, help those who are less fortunate, improve one’s knowledge in a field of academia, assist non-English speaking families or simply feel good about your contributions to society. Some of the opportunities available in your community to become a volunteer are listed below:

- **Children’s Museum**, [www.childrensmuseum.org](http://www.childrensmuseum.org) or 317-334-3832
  * Lead hands-on educational and craft activities, monitor admission lines, etc.
- **Community Hospital**, [www.ecommunity.com](http://www.ecommunity.com) or 317-355-5503 (EAST), 317-621-5289 (NORTH), 317-621-8688 (HEART)
  * Visit patients, answer call lights, play with children in pediatrics, etc.
- **Humane Society of Indianapolis**, [www.indyhumane.org](http://www.indyhumane.org) or 317-872-5650
  * Volunteers for animal walking, socializing and kennel cleaning
- **Indianapolis Public Library**, [www.imcpl.org](http://www.imcpl.org) or 317-275-4046
  * Assist with the summer reading program or other duties
  * Only select branches utilize volunteers
- **Indianapolis Zoo**, [www.indianapoliszoo.com](http://www.indianapoliszoo.com) or 317-630-2041
  * Educate the public about animals or assist zookeepers
- **Volunteer Connection**, [www.uwci.org](http://www.uwci.org) or 317-921-1271
  * Clearinghouse for volunteer opportunities at United Way agencies
- **Wellington Theatre Arts Group**, 317-255-3279
  * Provides ushers for 19 theatres, art venues and organizations
- **Wheeler Mission**, [www.wmm.org](http://www.wmm.org) or 317-635-3575
  * Volunteer servers for their kitchen
- **Emergent Leadership Institute**, [www.helpindyonline.com](http://www.helpindyonline.com)
  * Connects teens with more than 100 nearby volunteer opportunities

Remember that your volunteerism in the community not only makes you a better person, but may also meet criteria for scholarship money. Some corporations and organizations that require volunteer service hours in their selection process are:

- Best Buy Children’s Foundation [www.bestbuy.com/scholarships](http://www.bestbuy.com/scholarships)
- Castleton Sq./Simon Youth Foundation Castleton Square Service Counter
- Coca-Cola Scholars program [www.coca-colascholars.org](http://www.coca-colascholars.org)
- Target All-Around Scholarship [www.target.scholarshipamerica.org](http://www.target.scholarshipamerica.org)
- Sam Walton Community Scholarship [www.walmartfoundation.org](http://www.walmartfoundation.org)
